Air Medical Transport	Air medical transportation to a network hospital n than 150 miles from home; to arrange transportat	

#### Useful Information to Maximize Benefits

- To maximize your benefits, always use in-network providers for services covered by your health benefit plan. To find in-network providers, check a
  provider directory, provider finder website (AlabamaBlue.com) or call 1-800-810-BLUE (2583).
- In-network hospitals, physicians and other healthcare providers have a contract with a Blue Cross and/or Blue Shield Plan for furnishing healthcare services at a reduced price (examples: BlueCard® PPO, PMD). In Alabama, in-network services provided by mental health disorders and substance abuse professionals are available through the Blue Choice Behavioral Health Network. In-network pharmacies are pharmacies that participate with Blue Cross and Blue Shield of Alabama or its Pharmacy Benefit Manager(s). Sometimes an in-network provider may furnish a service to you that is not covered under the contract between the provider and a Blue Cross and/or Blue Shield Plan. When this happens, benefits may be denied or reduced. Please refer to your benefit booklet for the type of provider network that we determine to be an in-network provider for a particular service or supply.
- Out-of-network providers generally do not contract with Blue Cross and/or Blue Shield Plans. If you use out-of-network providers, you may be responsible for filing your own claims and paying the difference between the provider's charge and the allowed amount. The allowed amount may be based on the negotiated rate payable to in-network providers in the same area, the average charge for care in the area or in accordance with applicable Federal law.
- Teladoc Health is an independent company that Blue Cross and Blue Shield of Alabama has contracted with to provide you with teleconsultation services. Blue Cross and Blue Shield of Alabama is an independent licensee of the Blue Cross and Blue Shield Association.
- Please be aware that providers/specialists may be listed in a PPO directory or provider finder website, but not covered under this benefit plan.
   Please check your benefit booklet for more detailed coverage information.
- Please refer to your benefit book or contact Blue Cross directly about coverage for your hospital charges and other related medical services.
   Approval for air medical transportation does not mean that hospitalization and other medical expenses will be covered. All coverage
   determinations for medical benefits are subject to the terms, conditions, limitations and exclusions of the health plan. Air medical transportation
   services are provided through a contract with AirMed International, LLC, an independent company that does not provide Blue Cross and Blue
   Shield of Alabama products. Blue Cross is not responsible for any mistakes, errors or omissions that AirMed, its employees or staff members
   make. Air medical transportation services terminate if coverage by your health plan ends.
- Prime Therapeutics LLC® is an independent company providing pharmacy benefit management services for Blue Cross and Blue Shield of Alabama, an independent licensee of the Blue Cross and Blue Shield Association.
- Your health plan is committed to helping you achieve your best health. Rewards for participating in a wellness program are available to all employees. If you think you might be unable to meet a standard for a reward under this wellness program, you might qualify for an opportunity to earn the same reward by different means. Contact us at 1-800-222-4379 and we will work with you (and, if you wish, with your doctor) to find a wellness program with the same reward that is right for you in light of your health status.

This is not a contract, benefit booklet or Summary Plan Description. Benefits are subject to the terms, limitations and conditions of the group contract (including your benefit booklet). Check your benefit booklet for more detailed coverage information. Please visit our website, AlabamaBlue.com.
