Retiring in the 'new normal'

We know how important it is to save for retirement. This presentation brings all of the risks to light so you have a better understanding of what you may be facing and what you can do about it, especially in this new environment. Namely, shifting your strategy from just growing your money to protecting what you've saved as it grows. And for those still working, we'll talk about protecting your income in retirement, by creating a "personal pension" to help cover essential expenses and next steps you can take to help protect your retirement future.
