The SECURE Act

The SECURE Act (Setting Every Community up for Retirement Enhancement Act), passed on December 20, 2019, made sweeping changes to the retirement plan landscape. Learn about the changes and how they impact your retirement planning considerations.

March 16 at 12 p.m. (ET)

Strategies for staying on track

No matter how much or how little money you can save for retirement, it's important that you start now and stay invested for your future. You can learn how taking smart financial steps today, may help lead you to a solid financial future after you've stopped working.

March 16 at 3 p.m. (ET)

Social Security basics

Social Security will likely play a significant role in building your retirement income. Learn the basics about Social Security including eligibility, how to apply, how your benefit is calculated and strategies for claiming benefits.

March 17 at 12 p.m. (ET)

Retiring in the new normal

We all know how important it is to save for retirement. This presentation brings many of the risks to light so you have a better understanding of what you may be facing and what you can do about it, especially in this new environment. Namely, shifting your strategy from just growing your money to protecting what you've saved as it grows. And for those still working, we'll talk about protecting your income in retirement, by creating a guaranteed income stream to help cover essential expenses and next steps you can take to help protect your retirement future.
