Effective Date of Notice: January 1, 2011
Amended Date of Notice: January 1, 2022

THIS NOTICE APPLIES TO THE HEALTHCARE FLEXIBLE SPENDING ACCOUNT AND DOES NOT APPLY TO ANY OTHER BENEFITS, SUCH AS DEPENDENT CARE, PROVIDED UNDER THE FLEXIBLE SPENDING ACCOUNT PLAN. IT DESCRIBES HOW MEDICAL INFORMATION ABOUT YOU MAY BE USED AND DISCLOSED BY THE HEALTH FLEXIBLE SPENDING ACCOUNT AND HOW YOU CAN GET ACCESS TO THIS INFORMATION. PLEASE REVIEW IT CAREFULLY.

Who Will Follow This Notice

This Notice gives you information required by the HIPAA Privacy Rule about the duties and privacy practices of The University of Alabama Healthcare Flexible Spending Account, which covers University of Alabama employees enrolled in the healthcare flexible spending account (the “Plan”), to protect the privacy of your protected health information (PHI). PHI includes a combination of medical information and individually identifiable information, such as your home address, phone number and social security number and financial consumer information protected under HIPAA and/or Gramm-Leach-Bliley Act.

This Healthcare Flexible Spending Account is sponsored by The University of Alabama (the “Plan Sponsor”). The University of Alabama is a hybrid covered entity, and this Notice applies only to the Healthcare Flexible Spending Account and administrative departments at the University of Alabama and the University of Alabama System Office that may provide legal, billing, auditing, technology support, or other administrative support for this Plan, including but not limited to The University of Alabama System Office of Counsel, The University of Alabama System Office of Internal Audit, The University of Alabama’s Privacy and Security Officers, UA Human Resources and its Privacy and Security Officers, the Office of Information Technology, and UA and UAS Risk Management. For purposes of this Notice, the Healthcare Flexible Spending Account and its affiliated University of Alabama administrative support departments (when providing related administrative support) will be referred to as “the Plan.”

The Plan provides flexible health reimbursement benefits to you and receives and maintains your PHI in the course of providing medical reimbursement benefits to you. The Plan hires business associates, such as PayFlex to help it provide these benefits to you. These business associates also receive and maintain your PHI in the course of assisting the Plan.

Our Pledge Regarding Medical Information

The Plan understands that medical information about you and your health is personal. The Plan is committed to protecting protected health information (PHI) about you. This Notice will tell you about the ways in which the Plan (or its business associates, such as FCP) may use and disclose PHI about you. This Notice also describes your rights and
certain obligations the Plan has regarding the use and disclosure of PHI. The Plan is required by law to:

- make sure that PHI that identifies you is kept private;
- give you this notice of the Plan’s legal duties and privacy practices with respect to PHI about you;
- notify you in the case of a breach of your unsecured identifiable medical information; and
- follow the terms of the notice that is currently in effect.

**Changes To This Notice**

The Plan is required to follow the terms of this notice until it is replaced. The Plan reserves the right to change the terms of this notice at any time. If the Plan makes material changes to this notice, the Plan will, within 60 days of making those material revisions, provide a new notice to all subscribers then covered by the Plan, unless another date is permitted by law. We will post our new notice on our Health Benefits website at http://hr.ua.edu/benefits/. The Plan reserves the right to make the new changes apply to all your medical information maintained by the Plan before and after the effective date of the new notice.

**Disclosures to Family Members**

Your PHI will be shared with your family members or authorized representatives in one of two ways:

- You are present, either in person or on the telephone, and give us permission to talk to the other person, or
- You sign an authorization form allowing the Plan to discuss any information about you or claims filed under your account with the Plan.

**Purposes for which the Plan May Use or Disclose Your Medical Information Without Your Consent or Authorization**

The following categories describe different purposes for which the Plan may use and/or disclose your PHI/medical information. Not every use or disclosure in a category will be listed. However, all of the ways the Plan is permitted to use and/or disclose information will fall within one of the categories.

- **Health Care Providers’ Treatment Purposes.** While the Plan generally does not use or disclose your PHI to health care providers for treatment, the Plan is permitted to do so if necessary.

- **Payment.** The Plan may use or disclose your PHI to administer the Plan, which includes reimbursing you for eligible health care expenses for you and your dependents that are not reimbursed by insurance. The Plan may use your information to determine your eligibility for enrollment and for reimbursement and other services, including responding to complaints, appeals and external review requests.

- **Health Plan Operations.** For example, the Plan may use or disclose your PHI to perform its functions as a health flexible spending account plan. This may include: (i) conducting quality assessment and improvement activities, (ii) underwriting, premium rating, or other activities relating to the creation, renewal or replacement of a contract of health insurance, (iii) authorizing business associates to perform data aggregation services, (iv) engaging in care coordination or case management, and (v) managing, planning or developing the Plan’s business, including conducting or arranging for
legal, billing, auditing, compliance and other administrative support functions and/or services. Note: we will not use or disclose genetic information about you for underwriting purposes.

- **Health Services.** The Plan may use and disclose your PHI to contact you to provide you information about other flexible spending account benefits and services that may be of interest to you. The Plan may disclose your PHI to its business associates to assist the Plan in these activities.

- **Certain Marketing Activities.** The Plan may use medical information about you to forward promotional gifts of nominal value, to communicate with you about services offered by The Plan, to communicate with you about case management and care coordination, and to communicate with you about treatment alternatives. We do not sell your health information to any third party for their marketing activities unless you sign an authorization allowing us to do this.

- **As required by law.** The Plan will disclose PHI when required to do so by federal, state or local law. For example, the Plan must allow the U.S. Department of Health and Human Services to audit Plan records. The Plan may also disclose your PHI as authorized by and to the extent necessary to comply with workers’ compensation or other similar laws.

- **To Business Associates.** The Plan may disclose your PHI to business associates the Plan hires to assist the Plan. Each business associate of the Plan must agree in writing to ensure the continuing confidentiality and security of your medical information. For example, FCP is the Third Party Administrator for the Plan, and is required to sign a Business Associate Agreement agreeing to comply with the HIPAA Privacy and Security Regulations and HITECH and to provide appropriate safeguards to protect the privacy of your medical information. Other examples may include a copy service, consultants, accountants, lawyers and subrogation companies.

Such summary information does not disclose your name or other distinguishing characteristics. The Plan may also disclose to the Plan Sponsor the fact that you are enrolled in, or disenrolled from the Plan. The Plan may disclose your medical information to Designated Plan Sponsor Employees to perform customer service functions on your behalf and/or to perform Plan administrative functions. These Designated Employees must agree to comply with the HIPAA Privacy and Security Regulations and HITECH and they may be subject to sanctions for non-compliance. The Plan Sponsor and its Designated Employees must also agree not to use or disclose your medical information for employment-related activities or for any other benefit or benefit plans of the Plan Sponsor, except as otherwise permitted by HIPAA.
